

Art Appreciation  
Journal Response

Venus of Willendorf

*What was your first reaction to this sculpture?*

*Why do you think you had the reaction?*

*This was created about 27,000 years ago. How does that make you feel?*

*What does that call to mind?*

*What will be left of your life when archaeologists look back on it in thousands of years?*

*What will they know about you from what you leave behind?*
